Insurance of personal property is the responsibility of the parent/carer(s). The School does not accept responsibility for personal property brought to School.

## 6. Discipline of Students

It is the responsibility of the parent(s) or guardian(s) of each student to provide appropriate insurance cover should a student be injured or taken ill at school. While the School carries comprehensive insurance policies, the responsibility for individual insurance rests with the parent/carer(s) of each student who attends the School. Insurance of personal property is the responsibility of the parent/carer(s). The School does not accept responsibility for personal property brought to School.

## 8. The Conditions of Enrolment

The conditions of enrolment are as follows:

1. Registration of a student's name is subject to the payment of a non-refundable Application Fee for each student. Payment of this fee allows the student's name to be placed in the registration file in the nominated year, pending the outcome of the interview, the offer of a place at the School and the payment of the Enrolment Fee confirming the intention to take up this place (see condition 2-4 below).
2. **Once a student's Enrolment Form has been completed and the Enrolment payment has been paid, at least one term's notice in writing of withdrawal must be given to the Headmaster. In default of such notice, a term's fees will be charged. It is expected that enrolment will continue until the end of Year 6**
3.
  - a. If the Headmaster or any person deputising for the Headmaster, considers that a student is guilty of a serious breach of the rules of the School or has otherwise engaged in conduct which is prejudicial to the School or its students or staff, the Headmaster may exclude the student permanently or temporarily at their absolute discretion.
  - b. If the Headmaster believes that a mutually beneficial relationship of trust and cooperation between a parent and the School has broken down to the extent that it adversely impacts on the relationship, then the Headmaster may require the parent to remove the student from the School.  
  
No remission of fees will apply in either case. Notice should be given by the final day of the proceeding term to avoid financial implications.
4. The Rules and Regulations of the School shall be duly observed by a student and parents/carers.
5. The School provides a supervised Sick Bay where students who are taken ill at school or are injured are accommodated while contact is made with parent/carer(s) as quickly as possible. In the event of injury or illness to the student necessitating urgent hospital and/or medical treatment including injections, blood transfusions, and the like, and if the parent/carer(s) is not readily available to authorise such treatment, a responsible person on the School staff is hereby empowered to give the necessary authority for such treatment without the School or such person incurring any legal liability to the parent/carer(s) in so doing. The parent/carer(s) indemnify the School, its employees and agents in respect of all costs and expenses arising directly or indirectly out of such treatment.
6. All school fees and charges are due and payable within 21 days of the statement issue date.
7. Families who wish to spread the payment of fees across the year, must sign up to a direct debit arrangement with the School's Business Office. Parent/carer(s) should contact the Corporate Services Office in the first instance.
8. Where fees are still outstanding at the end of that term, and satisfactory arrangements for the payment of such fees have not been made, then the student will not be accepted back into the School the following term.

9. Absence from the School during the whole or any part of the term does not remove the obligation to pay that term's fees.
10. Parents accept that students will be taught a distinctively Christian education by practicing Christian staff. Attendance at Christian studies/ Biblical studies lesson, Chapel and Whole School Services and activities conducted at or by the School is a compulsory requirement of enrolment at the School.
11. It is an expectation of the School that parents will attend School Services, Presentation Evenings and other important School functions.

## 9. Requirements for Entry

St Peter's Heart has been established as a school for a specific purpose. In light of this there are specific criteria that potential students must meet in order to be considered for enrolment. St Peter's Heart has identified with NESAs that it will provide education for students who are diagnosed with a mild to moderate Autism Spectrum Disorder or mild to moderate Intellectual Disability. The definition of each of these criteria and the support documentation required is as follows:

### *Autism Spectrum Disorder Entry Criteria*

Students enrolled at St Peter's Heart under the criteria regarding classification on the Autism Spectrum must provide a current report from a specialist medical practitioner or registered psychologist with appropriate clinical experience. The report must detail the nature of the student's disorder and must indicate a diagnosis of either level 1 or level 2 using the DSM-5 diagnostic criteria. A functional assessment consistent with the student's disorder must also be provided. Students with a diagnosis which involves a combination of level 2 and level 3 Autism Spectrum Disorder will be considered at the discretion of the school.

### *Intellectual Disability Entry Criteria*

Students enrolled at St Peter's Heart under the criteria regarding Intellectual Disability will need to have a diagnosis for a moderate range of impairment. To meet criteria for diagnosis of a mild to moderate intellectual disability, students must have a full-scale IQ score of approximately three to four standard deviations below the mean on an approved individual test of intelligence. There must be information on the assessment of adaptive skills and school performance (where applicable) consistent with, or below this range of scores.

Students who do not meet the above criteria are not eligible for enrolment.

It is a requirement of entering St Peter's Heart that parent/carer(s) provide all necessary medical, psychological or other reports from specialists outside the School that outline the student's disability. These reports are to be no older than 12 months and must be updated on a regular basis, if requested. Any assessments or reports required from non-school personnel will be at the parent/carer(s) expense.

The School prefers that any therapies occur at school, unless this is impractical. This will be discussed when developing the Individual Education Plan.

## 10. Procedures for Enrolment

- (d) Enrolment is subject to the outcome of an enrolment interview process which would include a visit to the School (and a determination made in regard to developmental readiness), an enrolment interview and a collaborative planning meeting. An Individual Education Plan (IEP) would be prepared in collaboration with parents, the Director or Head of Learning Enhancement at St Peter's. The IEP would outline the level of support being offered and identify the student's barriers to learning and the adjustments to address these barriers.

Parent/carer(s) must accept the Individual Education Plan in writing, for enrolment to proceed.

The School will base any decision about offering a place to a student on:-

Family relationship with the School:

- Sibling of a current St Peter's student;
- Children of staff and clergy;
- Children of families who attend St Peter's Church each week.

The student:

- The confirmed diagnosis of mild to moderate Autism Spectrum Disorder and/or moderate intellectual disability;
- The contribution that the student may make to the School;
- The student's reports from previous schools or prior to school service;
- The functional impact of the student's disability.

The School:

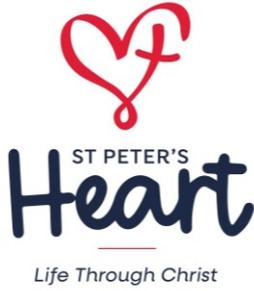

- Ability to meet the specific needs or abilities of the student

Other considerations:

- Order of receipt – when the application to enrol is received by the School

An offer of placement is then generally communicated to parents according to how long an application has been lodged at the School.

- (e) It is absolutely essential that the School be notified of any change of contact details including residential address and phone number. Failure to do so may result in loss of contact and subsequent lapse of an offer of enrolment.
- (f) The School will meet with the parent/carer(s) of the student before offering a place. School tours are held throughout the year for parents to attend. If a placement is offered, the School will forward a letter of offer. At this point, an Admission Form will need to be completed, including the following:-
- Passport size photo of the student;
  - Any additional educational, developmental or medical assessment reports which are relevant to your child's educational needs;
  - Up to date Immunisation Certificate (where applicable);
  - Data Collective Form (supplied by the School) within the Admission Form Medical Information;
  - Medical Release Forms (supplied by the School) within the Admission Form.

- (g) A non-refundable Admission Fee will need to be paid upon accepting an offer for admission. This fee is located on the St Peter's website.
- (h) The School has absolute discretion in determining the weight of each of the factors it takes into account in determining whether to offer a place for the student.
- (i) Continued enrolment at the School is dependent upon the student making satisfactory progress, attending consistently, and the student and the parent/carer(s) observing all behavioural codes of conduct and other requirements of the School which are applicable from time to time, including timely payment of fees.

## 11. School Term Fees

School fees for the current year are located on the St Peter's website.

The School reserves the right to amend the Conditions at any time.

### Fee Levying and Payment

School fees for the current year are located on the St Peter's website.

The School reserves the right to amend the Conditions at any time.

### Fee Levying and Payment

- Schools' Fees are published in the Schedule of Fees and Charges as annual charges and are levied in January of each year, for the full academic year. It is intended for accounts to be levied approximately two weeks prior to Term 1 commencement date. This date may vary if unforeseen circumstances arise.
- These fees will be payable in full within twenty – one (21) days of statement date. However, options for spreading payments over the relevant Academic Year are available through a Direct Debit Facility. This Facility allows for payments to be spread evenly over the Academic Year through paying by at the commencement of each School Term, by paying monthly, by paying fortnightly or by paying weekly.
- Other sundry fees or charges will be levied each term for charges relating to ad hoc activities or costs not normally covered under Schedule of Fees.

### Unpaid Fees (includes late payments)

- Where Fees for Enrolled Students remain Unpaid as at the Due Date, the ability of the Schools to provide the educational and other services to current and future students can be hampered. It therefore is of utmost importance that all Parents and Care Givers ensure that all Fee Payments are made by the relevant Due Date.
- Where there are circumstance where any payment is unable to be made by the Due Date, Parents and Care Givers should contact Campbelltown Anglican Schools' Council (CASC) Corporate Services office to discuss the issue.

- If Fees remain Unpaid by the Due Date a late payment fee may be applied to the amount outstanding which is reflective of the administration and financial cost to the Schools of the Fees remaining Unpaid.
- CASC reserves the right to review the continuing enrolment of any student at the Schools if an account is Unpaid by the Due Date and appropriate alternative arrangements have not been agreed. These alternative arrangements need to be realistic and achievable, as Unpaid Fees affect all Enrolled Students' education.
- Amounts Unpaid Fees for ALL enrolled students (past, present and future) remain payable and CASC reserves the right to undertake any / all actions to collect monies owed as allowable by law.
